NorGeo Shipping Terms

Small light weight items are usually sent by Royal mail for next day delivery. Parcels up to 2kg are sent Parcel Force and all parcels over 2kg are via DHL, with whom we have a daily collection from our warehouse. Sent goods will normally arrive next day. The maximum weight allowed by DHL is 30kg for £8.50. Should your order exceed this weight (30kg) you will have to pay an extra £8.50 for each parcel. You will also have to pay this, if your parcel exceeds size dimensions allowed by DHL and will have to be sent as two or more parcels.

All deliveries will have to be signed for as proof of delivery. Should you be out when a delivery is made, you will be carded and you will have to re-arrange a re-delivery via the telephone number on the card. To prevent delivery problems, many customers state a delivery address which is different from an invoice address. (e.g work or neighbour). You can do this when ordering your goods.

Our on-line system will calculate the total weight of an order and work out the postage costs for you. Items of special a shape. e.g. like maps in tubes or items of a fragile nature will require special packaging and will be charged more. Should a small, high value parcel be sent out (value over £200.00) via Royal Mail, you will be charged a small additional insurance cost to cover loss. This is not the case with DHL.

Delivery Schedule

We deliver your order right away. We will normally send your order to you in 2 - 5 business days . International orders must contact us directly to discuss delivery option etc.

Back Orders If the item you require is out of stock, you may contact us about our estimated dates of when we will next have the items in.
